

RAGNARS

COINZ STATION

CREATOR
SPECTRUM / WIVIAN EIDSAUNET,
CHRISTOFFER NÄS, ULF ALMFELDT

Coinz is a new take on how to make elegant and ergonomic work desks. Genuine and warm materials contribute to harmony and feeling good. The new expression is a "must have" for those who wants something extraordinary.

FORM

- A new strong and emotional expression.
- Solid wood and Desktop are honest and tactile materials that contribute to a homely feeling.
- A new and unique control-unit in brass, obviously inspired by coins.

FUNCTION

- Electric height adjustable from 620 to 1270 mm.
- Electrical outlets are available on the top.

SUSTAINABILITY

- Feet are in solid wood treated with hard wax oil instead of metal.
- Old Ragnars Work Stations can be re-used and upgraded with new Coinz-feet.
- An expression that will always be appealing.
- PVC Free electronics.
- Max 0.1W, when the table is not in use.
(Feel free to compare it with all alternatives)

FORM

- A new strong and emotional expression.
- Solid wood and Desktop are honest and tactile materials that contribute to a homely feeling.
- A new and unique control-unit in brass, obviously inspired by coins.
- A uniform expression with conference tables and work stations in the same design-family.

FUNCTION

- Electric height adjustable from 620 to 1050 mm.
- Electrical outlets are available on the top.

SUSTAINABILITY

- Feet are in solid wood treated with hard wax oil instead of metal.
- An expression that will always be appealing.
- PVC Free electronics.
- Max 0.1W, when the table is not in use.
(Feel free to compare it with all alternatives)
